

Arlene Echterling Memorial Scholarship

This scholarship is given to a graduating Senior of King City High School to honor the memory of Arlene Echterling. She was proud of the many boys and girls she taught throughout her career. The family uses this opportunity to celebrate Arlene's love of learning (and teaching) and to provide some financial assistance to a student interested in an education-related major. The goal of this scholarship is to help develop former students into teachers, helping to educate future generations and making a positive difference in the lives of young people.

Name: _____

Name of Parents or
Guardians: _____

Number of Children in Family: _____

Father's Occupation: _____

Mother's Occupation: _____

Are any other members of your family attending college, and, if so, how many and where?

What college or school do you plan to attend? _____

Briefly describe your aspirations and goals for your future, including education and vocation.

Please provide insight as to how you selected this major/career path.

Please summarize your participation in school, church and community activities. Include any offices held and honors received.

What are your hobbies (i.e., what do you enjoy)?

Describe how you have demonstrated leadership.

What have you done in preparation for college expenses?

What do you think are the 2 most important character qualities/traits to possess, and why?

Who has been a role model for you, and why?

Tell us about a personal achievement that makes you proud.
